

## ERRATUM

*Aquatic Conservation: Marine and Freshwater Ecosystems*, Volume 11, Issue 6 'Predictive Mapping for Management and Conservation of Seagrass Beds in North Carolina' by Nina M. Kelly, Mark Fonseca and Paula Whitfield, Pages 437–451, 2001.

An incorrect version of Figure 5 was printed (page 447). In this figure, the areas with high probability of successful restoration were not shown. The correct figure follows.

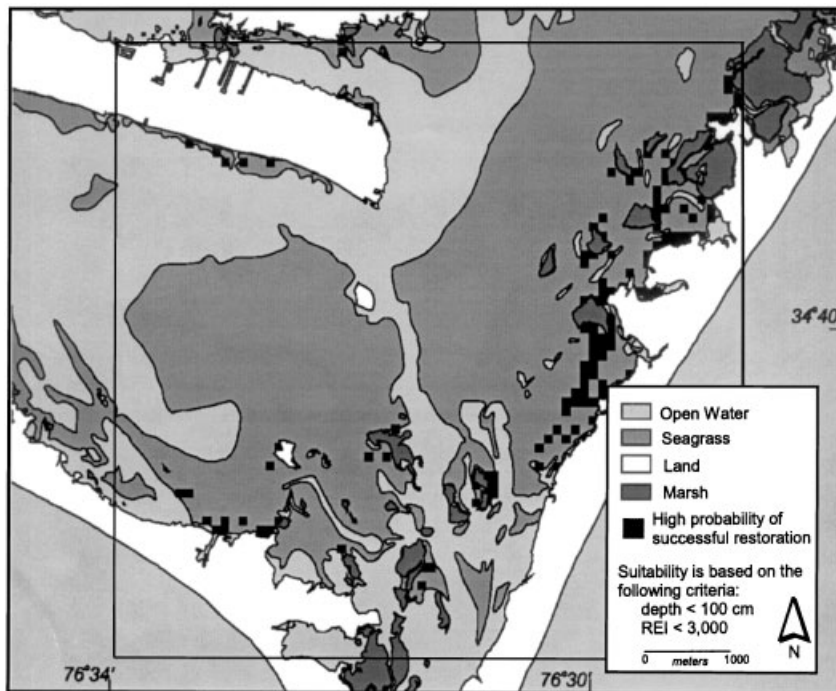

Figure 5. Probability of successful restoration based on suitability model using REI and depth.
